

SUMMER HARVEST WORK

Ickleton, UK

Are you interested in working outdoors, agriculture and working with teams?

We have a number of vacancies to join our summer harvest team in our Wheat, Farm and Seeds Supply departments. Working based at our **Ickleton site**, which is located just **south of Cambridge and north of Saffron Walden off the M11**, we have a number of contracts ranging **from 5 weeks to 12 weeks**, running between the months of **July to October 2024**.

This is a great opportunity to spend time outdoors and learn about agriculture!

Your prime responsibilities:

- On the Wheat team – hand harvesting of crops, assisting with combining, threshing grain, seed cleaning, seed and sample preparation for drilling and laboratory tests
- On the Farm team – driving of tractors with trailers to move harvested seed and plants from fields to store
- On the Seeds Supply team – walking of cereal seed crop fields to identify and remove undesirable plants
- Please note, there will be an element of additional hours required after 4.00 p.m. and on some weekends, all paid at overtime rates

What we offer you :

Working basic 37.0 hours per week with a competitive salary and benefits including:

- Competitive rates of pay
- Summer Bonus Incentive scheme
- Full training provided
- Paid overtime for additional hours worked over 37 hours per week, paid at a minimum of x1.5 hourly rate
- Company pension

Your primary skills :

- For Wheat team – team worker, attention to detail. No previous experience/knowledge required, but full manual driving licence would be an advantage
- For Farm team – agricultural & general farming knowledge/experience. Full driving licence.
- For Seeds Supply – team worker, attention to details (no previous experience/knowledge required)
- Watch our video for more information on <https://www.ragtseeds.co.uk/careers>

Who are RAGT ?

RAGT is a French breeding company based in Rodez near Toulouse with a breeding and research site, and a successful commercial business in the UK.

The company has a multi-crop portfolio and a leading position in cereal varieties in the European market.

RAGT are European leaders in cereals and protein rich species, varietal innovation is at the heart of our business to support and develop sustainability in agriculture.
