

SUMMER HARVEST ASSISTANTS

In person / Ickleton, near Cambridge/Saffron Walden (UK)

Are you eager to work outdoors, gain practical agricultural experience, and collaborate with a dynamic team? We have exciting summer harvest opportunities available within our Wheat, and Seeds Supply departments. With multiple vacancies at our Ickleton site, this is a fantastic opportunity to expand your agricultural knowledge while playing a key role in an essential industry. Ready for a hands-on, rewarding summer job? Apply now and join our harvest team!

Your main responsibilities

- **Wheat Team** – Assist with crop harvesting, grain threshing, seed cleaning, and preparing samples for laboratory testing and drilling.
- **Seeds Supply Team** – Walk cereal crop fields to identify and remove undesirable plants, ensuring quality control.
- **Pathology Team** – Assist in field trials, glasshouse, harvesting, seed cleaning, magazine preparation.
- **Please note:** Evening and weekend overtime will be required as part of the role paid at enhanced pay rates for additional hours.

Your main skills

- **Wheat Team** – Team players with great attention to detail. No prior experience needed, but a full manual driving licence is advantageous.
- **Seeds Supply Team** – Team players with a keen eye for detail. No previous experience necessary.
- **Pathology Team** – Team player with great attention to detail. No prior experience needed, but a full manual driving licence is advantageous.
- **All teams** require flexibility and good availability for the summer.
- A full driving licence is preferable

What we offer you

- Working basic 37.0 hours per week, however it is essential that you are able to work overtime in busy periods.
- We have multiple vacancies available for 5 to 22 week contracts running between May and November at our Ickleton site
- Competitive pay: £13.00 per hour
- Full training provided – no experience needed!
- Company pension scheme
- Summer staff event
