

SUMMER HARVEST ASSISTANTS

In person / Market Stainton, Lincolnshire, LN8 5LJ (UK)

Are you eager to work outdoors, gain practical agricultural experience, and collaborate with a dynamic team? We have exciting summer harvest opportunities available within our Trials, Nursery and Laboratory teams. With multiple vacancies at our Market Stainton site (near Market Rasen), this is a fantastic opportunity to expand your agricultural knowledge while playing a key role in an essential industry. Ready for a hands-on, rewarding summer job? Apply now and join our harvest team!

Your main responsibilities

Seed Processing

- Threshing, cleaning, counting, weighing, cassetting and racking of seed for nurseries and trials

Field Activity

- Character checks, scribing plant scores, labelling, harvesting, to include ear snipping, plant pulling and combine support

Lab analytics

- Taking samples of grain, sample cleaning and grain analysis and reporting during the harvest period

Please note: Evening and weekend overtime will be required as part of the role paid at enhanced pay rates for additional hours.

Your main skills

- To perform all tasks and behaving in a manner compliant with and in support of all health and safety related company policies and practices, including completing all required company training courses.
- To communicate effectively and liaise on a regular basis with the assigned mentor or team leader
- Undertake and support all other ongoing activities within Seeds Trialling, Laboratory and Nurseries as required
- Able to work indoors and outdoors in all conditions (appropriate PPE will be provided).
- Will also have to be reasonably fit due to practical and manual handling requirements
- Able to perform repetitive tasks across consecutive days with the same level of attention to detail
- Full driving licence preferable

What we offer you

- Working basic 36 hours per week, however it is essential that you are able to work overtime in busy periods.
- We have multiple vacancies available for 5 to 12 week contracts running between July and October at our Market Stainton site (LN8 5LJ)
- Competitive pay: £13.00 per hour
- Full training provided - no experience needed!
- Company pension scheme
